

Dear Parents, Grandparents, Alumni, Friends, and Faculty of Saint Stephen of Hungary School:

On behalf of the Board of Directors of the Saint Stephen of Hungary School Foundation, we are pleased to deliver to you the official record for the Foundation's fundraising efforts for Fiscal Years September 1, 2017 through August 31, 2018, as well as September 1, 2018 through August 31, 2019. This latter FY encompassed the School's 90th Anniversary, and over the last two years the Foundation saw record amounts of dollars raised via the Annual Fund, the Auction and its Fund a Need, Sketch Night and the Golf Outing. Read on to see how generous our community has been. To all the donors who supported these events, and the volunteers without whom the events could not have happened, a thousand thanks. As the School enters its tenth decade, it is on

track to find itself in the strongest financial position in its history. Last year, the School received courtesy of the Parish its two largest gifts in its history totaling \$4M, equally divided between 2M for immediate capital projects, and a second 2M as an interest only, income producing endowment. These gifts not only mark the extraordinary commitment of the Parish and its Pastor, Fr. Donald C. Baker, to the School and its community, but act as a clarion call to each of us to support in a tangible way all efforts continue to build the Saint Stephen of Hungary School of the 21st century.

Thank you for all you have done, and continue to do, for this most special School and its community. The Foundation enters the new fiscal year in a relatively strong financial position, but expenses associated with maintaining an upward trajectory of educational improvements never decrease. In addition, the costs of rehabilitating and renovating the Francis Building are imminent. To those who have joined the cause and earned the title of "School Builder," and to those who will join us, our work is in front of us. Nine decades of school builders before us have brought us to this moment. Let us disappoint neither those generous giants who came before us, nor our smallest stakeholders of today who either roam, or will roam the hallways, refurbished and new, of Saint Stephen of Hungary School. The invitation extended to us now remains as vibrant and as full of promise as when first made nearly a century ago: Come, be a SchoolBuilder.

Gratefully,

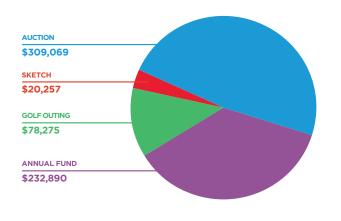

Ol Kelly

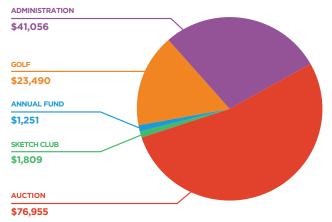

Christopher G. Kelly, President Saint Stephen of Hungary School Foundation christopher.kelly@hklaw.com

# Spring Auction \$309,069

Fund-A-Need \$174,500

Our 9th Annual Auction asked us to "Raise The Roof" and we did exactly that. The event grossed almost \$310,000 including a record breaking Fund-a-Need of over \$170,000 from 155 donors. The Fund-a-Need donations will be used to literally "Raise The Roof" and help build new classrooms as the expansion of the school into the Francis Building commences in the near future.

2018-2019

# Spring Auction \$325,666

Fund-A-Need \$167,950

The 2018-19 school year was cause for celebration as Saint Stephen of Hungary School turned 90! In honor of the occasion, the Spring Auction celebrated the 90th Anniversary in Gala Fashion and grossed over \$325,000 for the school. The Fund A Need raised nearly \$168,000 for improvements to the play area in the school yard. It was a party fitting of the anniversary!

# Golf Outing 2018-2019 **\$74,090**

The weather might have been cold and grey, but the spirit and camaraderie were warm as golfers hit the links at the Pelham Bay/Split Rock Golf Course. After lunch and a round of golf, everyone enjoyed a cocktail reception and dinner where our own Father Baker and Adele Ganly were given well-deserved awards for their leadership and service to Saint Stephen of Hungary School.

#### **Father Angelo Gambatese Scholarship Fund**

Father Angelo Gambatese, OFM, Pastor of Saint Stephen of Hungary Church from 2000-2013, taught the Saint Stephen of Hungary community compassion, kindness, and tolerance. He believed that all students regardless of their socio-economic status should have access to a Saint Stephen of Hungary School education. The Father Angelo Gambatese Scholarship Fund has been established to ensure that Father Angelo's legacy of welcoming all students to our community lives on at Saint Stephen of Hungary School.

# In Memory of Jon Schoen

#### Morgan Stanley Employee Donations

Among Jon's great gifts to others was reinvigorating and restarting the Saint Stephen of Hungary School's interscholastic Catholic Youth Organization basketball team, for which he served for five years (2010 to 2015) as its unpaid coach.

Jon's integrity, moral character and work ethic improved the lives of the children of Saint Stephen of Hungary School in countless ways. Those qualities live on in his players in their individual commitments to take the best of what Coach Schoen was and share those qualities with thousands not fortunate enough to have crossed paths with Coach Schoen while he was alive.
